**Dear Ottawa Valley Vineyard Church,**

**Supporter Number: 8-10063819**

Thank you for your loving support of Luvuno (KE079100247). We are writing to you today with an update regarding your Compassion child.

We're pleased to announce that Luvuno has successfully completed Compassion's program! She has reached all the milestones we had hoped she would achieve. Her time in the Compassion program has helped prepare her for the future by encouraging her to remain in school for as long as possible and to make a plan for the future. Now, Luvuno has the opportunity to take the next step in making her plan a reality as she takes her first step into independence and adulthood.

**How you've helped make a difference:**

- Luvuno has completed grade 4 in school. What a great achievement to celebrate! Many kids around the world don't have access to education.
- When asked what your child's hopes are for the future they said: Raise A Family
- Our country office reports the following information about your sponsor child's new situation: Living With The Same Primary Caregiver In The Same Area

We understand that you may feel saddened at no longer having Luvuno as your sponsored child and that ending this special relationship can be difficult. Please remember your relationship has made a real difference in the life of Luvuno and we trust God will use the experiences she has had with Compassion to produce a positive impact on her future.

**Saying goodbye to Luvuno**

Although your relationship with Luvuno is coming to an end, we hope you'll write one final letter to offer any final encouragement you may have to her for the future. This can be sent through your My Compassion Account (please click on the 'Show Past Sponsorships' option available there). You can also write a letter using the writing paper provided.

*In order to help us get your final letter to Luvuno, we ask that you send in your letter within 60 days of receiving this.*

You may also be interested in sending a final gift to Luvuno. This special, one-time gift of \$25 to \$2000 will show Luvuno how proud you are of her for accomplishing so much. 100% of this donation will go directly to Luvuno, and you are welcome to send it anytime within the next 60 days through your MyCompassion account.

### **What's next?**

At this point, you may be wondering what's next? In this season where COVID-19 is impacting us throughout the world, the importance of continuing to support vulnerable children through sponsorship is a need now more than ever. We recognize COVID-19's impact on our sponsors is different from person to person, but if you are able to continue to sponsor another child like Luvuno, to have their practical needs met while hearing the good news about Jesus, we ask that you please do.

We will send you the information of a new child awaiting sponsorship for your consideration in the coming days. We hope you will agree that they will be the right child for you and we will give you guidelines for introducing yourself to them. Alternatively, you can visit our Website to personally select your next sponsored child (just indicate in the checkout process that you're an existing sponsor with us).

Thank you again for your love, support and prayers for one of God's special children. Your impact on Luvuno means the world to us. It is a privilege to partner with you in this ministry and our relationship with you is one of our highest priorities. If you have any further questions regarding this news, please call us at 1-800-563-5437 and we will be happy to assist you.

Yours in Christ,
